ORGANIC BUD AND BLOOM ENHANCER

Enhances flower buds and blooms

Grower's Secret BLOOM is a concentrated organic liquid bud and bloom enhancer, fortified with GROWER'S SECRET PROFESSIONAL, our patented plant growth enhancer.

Use to enhance flower buds and blooms and as an all-purpose fertilizer for phosphorous and potassium-loving plants.

Derived from mined rock phosphate, potassium sulfate, vegetable protein hydrolysate, and fermented molasses

- Provides natural high potassium and phosphate load
- Promotes better bud and fruit set
- Increases size and quantity of flowers and fruit
- Provides essential nutrients for superior bloom stage development

Suitable for use in Bloom Stage

- Easy-to-use: Can be used as a foliar spray, soil drench or through drip irrigation systems
- Can be applied to fruit, nut, and ornamental trees, shrubs, vines, small fruits, vegetables, indoor and outdoor potted plants, greenhouse and landscape plants
- Effective in any soil or soilless plant medium for indoor and outdoor growing

DIRECTIONS FOR USE

House plants and outdoor plants:

Apply 4 tablespoons (60 ml) per gallon of water as a foliar spray to the point of runoff or apply as a soil drench around the base of plants.

Hose-end sprayer: Shake well before connecting to the garden hose. Start water flow, open valve, and apply contents evenly over 500-1000 sq. ft. area. Thorough coverage is important.

Contains OMRI-listed and CDFA-registered Grower's Secret Professional plant growth enhancer

Non-polluting, will not harm water supply

Suitable for use in organic farming
