

FLOURISH · 3-3-1

ORGANIC ALL-PURPOSE FISH FERTILIZER

For vigorous plant growth

Grower's Secret FLOURISH is a concentrated organic liquid fish fertilizer, fortified with GROWER'S SECRET PROFESSIONAL, our patented plant growth enhancer.

Use as an all-purpose fertilizer for vigorous plant growth as part of an over all regimen.

Derived from cold processed fish hydrolysate and fermented molasses

- Cold processed fish based source of nitrogen, phosphorous, and potassium
- Encourages fast growth of plants, flowers, and fruit
- Promotes green leaves increasing ability of plant to photosynthesize
- Non-offensive odor
- Cold processed fish hydrolysate maintains amino acids, vitamins and nutrients necessary for plant growth

Suitable for use in Propagate through Growth Stages

- Easy-to-use: Can be used as a foliar spray, soil drench or through drip irrigation systems
- Use for lawns and gardens; conventional sprayer; and hydroponic and soil systems
- Can be applied to fruit, nut, and ornamental trees, shrubs, vines, small fruits, vegetables, indoor and outdoor potted plants, greenhouse and landscape plants
- Effective in any soil or soilless plant medium for indoor and outdoor growing

DIRECTIONS FOR USE

Apply to vegetables and other plants – up to bloom stage only – using a hose-end or conventional sprayer. Thorough coverage is important, and application early or late in the day is advised.

Hose-end sprayer: Shake well before connecting to a garden hose. Start water flow, open valve, and evenly apply entire contents over a 500 to 1,000 sq. ft. area.

House plants: Mix 1 tablespoon (15 ml) in 1 gallon of water and apply to soil or foliage every 2 weeks.

Outdoor plants: Mix 3 tablespoons (45 ml) in 1 gallon of water and apply to soil or foliage every 2 weeks.

Trees and shrubs: Apply at 8 oz. (236 ml) per gallon of water. Apply under trees and shrubs 2-3 times per year.

Lawns: Use 4 fl. oz. (120 ml) per gallon of water. One gallon of Flourish in 30-40 gallons of water will cover approximately 1/4 acre. Apply monthly when grasses are actively growing.

Contains OMRI-listed and CDFA-registered Grower's Secret Professional plant growth enhancer

Non-polluting, will not harm water supply

Suitable for use in organic farming
